(Presented by the Marian Faith Formation Project)

Join us in exploring the wonders, miracles and the message presented by Our Lady of Fatima for all of humanity. Learn how that message is relevant to us today, especially as we meditate on the gift of the Lenten season and preparation for the coming of our Lord Jesus Christ. Award winning speaker, Communications Manager and Editor of the World Apostolate of Fatima, USA, Blue Army Press, Barb Ernster, will explore the unique spirituality of the three Fatima children and how each of them lived the Fatima message, consecrated to Mary.
